

**Job Title:** Staff Singer (Substitute List)

**Reports to:** Director of Music

**Summary of Position:**

St. Paul's Episcopal Church in Chattanooga, TN has vacancies for all voice parts on our substitute list for Staff Singers. St. Paul's has eight regular staff singers who contribute to a professional core of sound and provide musical leadership for the volunteer members of the choir. Our repertoire spans from early plainsong through the twenty-first century, with a special emphasis on the Anglican/Episcopal choral tradition and a commitment to include historically underrepresented composers. Substitute staff singers must have strong vocal experience, good sight reading ability, and an enjoyment of healthful ensemble singing with control of pitch and vibrato.

Substitute staff singers are paid per call. During the program/academic year, the regular weekly schedule is Wednesday evening (1 call) and Sunday morning (1 call.) There are occasional Sunday afternoon calls throughout the program year, as well as other extra calls, especially around Christmas and Holy Week/Easter. During the summer, there is no Wednesday rehearsal, and calls are Sunday mornings only.
